Committee Reports

The **CE Planning Committee** met on August 14th to begin planning for our October 24th and November 28th continuing education programs. Plans are underway for educational sessions on the topics of Recognizing Victims of Human Trafficking and Care of the LGBTQ Patient. – Chair: Sheri Southworth

MODNA's **Finance Committee** met on August 1st to review end of year financial results. The organization spent less funds than budgeted for the 12-month period ending June 30th. Yeah! The committee decided to make a recommendation to the MODNA Board that a 12-month CD be purchased and a donation to the Debbie Cannon Freece Nursing Leadership Scholarship fund be made with the excess funds. – Chair: Christine Frank-Scott

Our **Ad Hoc Committee** met on August 28th. The committee is working on a recommendation to the MODNA Board for MODNA member involvement in the community setting. Currently the committee is exploring the potential for MODNA to have a collaborative relationship with both the Boy and Girl Scouts – at the regional and troop level.- Chair: Sally Morgan

The **Nursing Transitions Initiative** Committee met early in August with plans to finalize our first ever #HealthyNurse #HealthyLife event but ended up having to cancel the event due to lack of member/student participation. The committee is exploring the possibility of hosting another similar event in the spring of 2019. The committee is hosting their 4th #NurseLife #AmIReady event for senior nursing students on Sept 20th at the LaScala restaurant. This event is free to senior nursing students from within our district. RSVP @ modna@moda.org – Chair: Kaitlyn Kolcun

The MODNA **Board of Directors** met on August 8th in the MODNA office. Recognition was given to retiring board members: Barb Welch, David Shields, Kathy Fernandez, Marilyn Webster, Phyllis Scheiderer, and Kim Ebright. Christine Frank-Scott presented a proposal from the Finance Committee for investments in a Certificate of Deposit and the Debbie Cannon Freece Nursing Leadership Scholarship, both were approved by the board. The board also heard reports from ONA, OSUNO, and each of the various committees.
