

**Nomination Deadline: February 28, 2019**

**NOBC Board Opportunity:** Second Wind Lung Transplant Association

**URL:** <https://www.2ndwind.org/>

**Mission:**

To improve the quality of life for lung transplant recipients, lung surgery candidates, people with related pulmonary concerns and their families, by providing support, advocacy, education, information and guidance through a spirit of service, adding years to their lives and life to their years.

**Description:**

Second Wind Lung Transplant Association, Inc. was formed on April 17, 1995, by a small group of people who wanted to provide information about lung transplantation to others. At that time lung transplantation was evolving from an experimental and rarely applied treatment to becoming a more common therapy for end-stage lung disease. The slogan "Support through Service" was adopted, as was their mission statement.

Today, Second Wind is an international organization with over 400 members scattered throughout the United States and in Australia, South Africa, the United Kingdom, and Germany.

**Type of organization:** Nonprofit

**Meetings:** 6 teleconferences

**Level of Experience Desired:** Registered Nurse

**Desired area of specialty:** Organ transplantation or donation

**Membership Requirements:** Must join or be a current member of Second Wind Lung Transplant Association

**Expected financial contribution:** No

**Remuneration:** No

**Term start:** 1/31/2020
